

Magruder Reserve Sample Request Form

The cost for a Magruder reserve sample shipped in the U.S. is \$28.00 per sample. International samples are \$30.00. Certified homogeneous samples are \$50.00. Shipping is included in these prices for US Only. Foreign shipment cost will be added to the cost at the current rate.

Payments should be made in U.S. Dollars or by credit card to AAPFCO.
Request for reserve samples and payments should be addressed to:

Jamey Johnson / Treasurer of AAPFCO, Div. of Feed & Fertilizer
No. 1 Natural Resources Dr.
AR State Plant Board
Little Rock, AR 72205.

Phone: 501-225-1598
Fax: 501-219-1746
E-mail: aapfco@aspb.ar.gov

After receiving payment, the samples will be shipped. Samples are limited and a second and third choice should be made. If there are two samples (A and B) for the Magruder numbers you are requesting, be sure to note which sample you want or whether you want both. Available samples are listed at magruderchecksample.org.

Samples requested
